FAIR PLAY INITIATIVE

As a result of Hockey Canada's focus on fair play and improved communication between officials, coaches and players, Hockey Canada has implemented the following process:

"In all games, the officials shall approach each bench and meet the Coaches. This process should not take more than 15 seconds and will be completed prior to the game, at the end of the pre-game warm-up. Officials are also encouraged to shake hands with the Captains where possible".

This process is supported by the Coaching Program, Officiating Program and Hockey Canada's Board of Directors.

HOCKEY CANADA

MESSAGE FROM THE BOARD OF DIRECTORS

The rules which are contained in this book are the only rules which are to be used in the playing of hockey under the jurisdiction of Hockey Canada. Branches or leagues choosing to play outside these rules will be subjected to discipline and will at a minimum, forfeit the right to Hockey Canada's Insurance Program. However, during internal branch competition, branches may make variations to Hockey Canada Official Rules, providing these variations are more restrictive than the rules as written.

A game should be refereed strictly in accordance with the rules. In individual cases, Referees may feel that the rules are in some respect not satisfactory. However, it is not up to an individual to decide if a rule should or should not be applied. Rules are approved by Hockey Canada's membership and are to be changed only through the democratic process at given periods of time. Referees are directed to thoroughly apply the rules of the Association and of their branch.

If a Referee has difficulty in the interpretation of any rule, the Referee should consult with the Branch Referee-in-Chief. If such person cannot give a satisfactory interpretation, Hockey Canada's Referee-in-Chief should be contacted.

It is understandable that in a country of the geographic expanse of Canada, a uniform interpretation of the rules may prove somewhat difficult. That, however, is the goal which is to be aimed at, and if the rules are strictly adhered to in all parts of Canada, it should not be hard to come near achieving that goal.

These playing rules become effective with the commencement of the 2003-2004 season.

Amateur hockey in Canada is played by men, women, boys and girls from coast to coast. Within this publication the alternating of gender in both photographs and grammar is utilized. Any masculine reference shall also apply to female hockey and any feminine reference shall apply to male hockey. This is to encourage the widest possible involvement in our great game!

- (b) The rink shall be enclosed by the boards, which may be constructed of wood, plastic or fibreglass. Measured from the surface of the ice, the boards shall be no more than 1.22 m (4 ft.) and no less than 1.02 m (3 ft. 4 in.) in height. The surface of the boards facing the ice shall be white and free from any obstruction or object that may cause injury to players. The base plate, of a maximum height of 30.48 cm (12 in.), shall be light (recommend yellow) in colour.
- (c) It is recommended that glass, plexi-glass or other similar material be mounted to the boards, flush to the playing surface, to assist in the prevention of pucks going into the spectator areas. Protection is also recommended in front of the off-ice officials area. All equipment used to hold the glass or similar material in position, shall be mounted on the boards on the side away from the playing surface.
- (d) It is recommended that no logos or advertising be allowed on the ice in the end zones. Logos must not disrupt or alter any official ice markings as described in this Section One.

Rule 3. Division of Ice Surface

- (a) 3.96 m (13 ft.) from each end of the rink, a red line, 5.08 cm (2 in.) wide, shall be marked on the ice parallel to the end boards. This line shall extend across the rink and be known as the "Goal Line".

Rule 3. Division of Ice Surface

Where rinks are unable to meet this measurement, a distance of 3.20 m (10 ft. 6 in.) is permitted.

- (b) On rinks 56.39 m (185 ft.) or more in length, blue lines, 30.48 cm (12 in.) wide, shall be marked on the ice parallel to the goal lines at a point 18.29 m (60 ft.) from each goal line, while the neutral zone shall take up the remaining space in the center ice area. These lines shall extend across the ice surface and vertically on each side board and shall be known as the "Blue Lines". On rinks less than 56.39 m (185 ft.) in length, the blue lines shall be positioned so that they divide the distance between the goal lines into three equal areas.
- (c) Midway between the goal lines, a red line, 30.48 cm (12 in.) wide, shall be marked on the ice and extend vertically up the side boards, parallel to the goal lines. This line shall be known as the "Centre Red Line".
- (d) That portion of the ice surface in which the goal is situated shall be called the "DEFENDING ZONE" of the team defending that goal; the central portion shall be known as the "NEUTRAL ZONE", and that portion furthest from the defended goal as the "ATTACKING ZONE".

- (b) The goal crease shall be laid out as follows: a semi-circle 1.82 m (6 ft.) in radius and 5.08cm (2 in.) in width shall be drawn using the centre of the goal line as the centre point. In addition, an "L" shaped marking of 12.7cm (5 in.) in length (both lines) at each front corner will be painted on the ice. The location of the "L" shaped marking is measured by drawing an imaginary 1.22 m (4 ft.) line from the goal line to the edge of the semi-circle. At that point, the "L" may be drawn. The interior colouring of the crease shall be light blue, light yellow or off-white.
- (c) The goal crease area shall include the space outlined by the crease lines and shall extend vertically to the level of the top of the goal frame.

Rule 6. Centre Ice Spot and Circle

A circular blue spot, 30.48 cm (12 in.) in diameter, shall be marked on the ice exactly in the centre of the rink. Using this spot as a centre, a circular blue line, 5.08cm (2 in.) wide, with a radius of 4.57m (15 ft.), will then be marked on the ice.

Two red spots 60.96 cm (2 ft.) in diameter, shall be marked on the ice in the Neutral Zone, 1.52 m (5 ft.) from each blue line, and the same distance from the boards as the end zone face-off spots. Within each face-off spot draw two parallel lines 7.62 cm (3 in.) from the top and bottom of the spot. The area within the two lines shall be painted red, the remainder shall be painted white.

Rule 8. End Zone Face-off Spots and Circles

The area within the two lines shall be painted red, the remainder shall be painted white. 30.48 cm (1 ft.) away from the edge of the face-off spot, two lines shall be drawn parallel with the sideboards that shall be 1.22 m (4 ft.) in length and 45.72 cm (18 in.) apart. Parallel to the end boards, commencing at the end of the line nearest to the face-off spot, a line shall extend 86.36 cm (2 ft. 10 in.) in length. All lines shall be 5.08 cm (2 in.) in width.

Each such point shall be the centre of the face-off spot and circle.
- (c) For rinks under 22.90 m (75 ft.) in width, the face-off circles shall be reduced in circumference so that they do not overlap. A minimum area of 60.96 cm (2 ft.) from the adjacent side boards is to be maintained.

If a replacement is necessary for the injured goaltender, an additional five minutes shall be allowed for a total of fifteen minutes. The injured goaltender must remain out of the game until the next stoppage of play. For a violation of this rule, a minor penalty for Delay of Game shall be assessed.
- (c) Goaltender replacement shall be subject to the rules governing goaltenders and be allowed the goaltender's full equipment.
- (d) When a goaltender is injured, players may be permitted to leave the ice at the discretion of the Referee, but must be ready to resume play immediately, on notice by the Referee.
- (e) A penalized player who has to serve a time penalty and who has been injured may proceed to the dressing room, provided he is replaced on the penalty bench by a substitute who was on the ice at the time of the infraction.
A penalized player who does not have to serve a time penalty and who has been injured may proceed to the dressing room without having to be replaced by a substitute on the penalty bench.

Rule 20. Injured Players

For a violation of this rule, a Bench Minor penalty for “Ineligible Player” shall be assessed.

- (f) If an injured penalized player returns to the players’ bench before his penalty has expired, he shall take his place in the penalty bench or replace the player substituting for him on the penalty bench during the first stoppage of play. If he takes part in the play before his penalty has expired, he shall be assessed an additional Minor penalty for “Ineligible Player”.
- (g) When a player is injured so that he cannot continue play or go to his bench, the play shall not be stopped until the injured player’s team has secured possession and control of the puck. If the injured player’s team is in possession of the puck at the time of the injury, the play shall be stopped immediately unless his team is in scoring position, at which time the Referee shall allow the play to be completed.

Note 1: Where there is suspicion that a player has sustained a serious injury, the Referee may stop the play immediately.

Note 2: Where play has been stopped due to an injured player, excluding the goaltender, the injured player shall leave the ice and may not return to the ice until the play has resumed. If the player refuses to leave the ice, a Delay of Game penalty shall be assessed.

Rule 23. Goaltender's Equipment

Rule 23. Goaltender's Equipment

material necessary to fill the gap between the thumb and the index finger when they are fully extended and spread. Any other pocket, pouch or contrivance added to the glove by a manufacturer or otherwise is not acceptable and makes the glove illegal.

Note 3: The binding and/or stitching at the edges of both goaltender's gloves shall not be included in the measurement of either the length or width.

Note 4: When a request for a measurement of a goaltender's glove has been made the team shall state the glove that is to be measured and whether it is to be the length or width of the glove.

- (c) A Minor penalty shall be assessed a goaltender guilty of using or wearing illegal equipment.
- (d) A goaltender shall remove her face protector for purpose of identification, if so asked by the Referee. A goaltender who refuses this request shall be assessed a Gross Misconduct penalty.

Rule 24. Protective Equipment

Leather elbow patches on the outside of the sweater and palmless gloves are prohibited. After one warning by the Referee, a Minor penalty shall be imposed on the offending player for the violation of this rule.
- (b) While on the ice, including pre-game warmups, all players, including goaltenders, shall wear a CSA approved hockey helmet, to which a CSA approved facial protector must be securely attached and not altered in any way. Any alteration to a CSA approved helmet or facial protector automatically destroys the certification.

Rule 24. Protective Equipment

The chin straps of the helmet shall be securely fastened under the chin. The straps of the facial protector, when designed to allow such straps, shall also be securely fastened to the hockey helmet.

For violations during pre-game warmups, the Referee shall report the infraction on the official game report to the President.

It is mandatory that players purchasing new facial protectors follow these guidelines:

- Type 1 facial protector if the player is older than 10 years of age (Atom Hockey) and does not play the position of goaltender.
This type of protector is distinguishable by a white sticker bearing the CSA certification mark. For polycarbonate protectors the CSA mark may be embossed.
- Type 2 facial protector if the player is 10 years of age or younger (Novice Hockey) and does not play the position of goaltender. This type of protector is distinguishable by an orange sticker bearing the CSA certification mark.
- Type 3 facial protector if the position they play is goaltender. This protector is distinguishable by a blue sticker bearing the CSA certification mark.
- Type 4 visor for players in Senior (which includes Adult Recreational Hockey) and Junior Hockey. This is distinguishable by a yellow sticker bearing the CSA certification mark.

- Type 6 facial protector if the player is 10 years of age or younger (Novice Hockey) and does not play the position of goaltender. This type of protector is distinguishable by a red sticker bearing the CSA certification mark.

Rule 24. Protective Equipment

Note 1: Types 1 and 2 differ from Types 5 and 6 only in the penetration requirements in Clause 4.3.3 of the CSA standard.

Players shall remove their helmet during the playing of the national anthem(s).

Note 2: The wearing of a CSA approved facial protector or visor for players registered with Senior (recommended but optional for male adult recreational hockey) and Junior hockey teams shall be compulsory. In all divisions of Female Hockey, the wearing of a CSA approved facial protector shall be compulsory.

Note 3: Goaltenders in all divisions of hockey shall be required to wear a CSA approved hockey helmet to which a CSA approved facial protector has been securely attached and not altered in any way.

Note 4: All players while on the players' and/or penalty bench must wear their approved helmet and facial protector securely attached. Any goaltender on the bench, as a minimum, is required to properly wear the same protective head equipment as the players. For a violation of this section of the rule, a warning shall be issued to the team. The second and subsequent violations by the same team will result in a Minor penalty being assessed against the offending team.

- (c) Should the helmet of a player come off while play is in progress, such player shall replace the helmet (properly fastened) or shall proceed to the players' bench for a substitution.

If such a player participates in the play in any manner without his helmet, the play must be stopped immediately and the player assessed a Minor penalty. The penalty shall be assessed for participating in the play without the proper protective equipment and recorded on the Official Game Report as "ineligible player".

When a goaltender loses his helmet and/or facial protector, play shall be stopped immediately. Any such deliberate action by the goaltender shall result in a Minor penalty for "Delay of Game". If this deliberate action (by a player or goaltender) occurs when an opponent is on a breakaway in the neutral or attacking zone, or occurs during the last two minutes of regular playing time, or any time in overtime, a Penalty Shot shall be awarded to the non-offending team. If a player deliberately removes his helmet to fight or to challenge an opponent to fight he will be assessed a Gross Misconduct penalty.

Rule 24. Protective Equipment

- (d) Where a player wears a helmet and/or facial protector in an offset position during play, play shall be stopped immediately and a Misconduct penalty will be assessed to the player.
- (e) If the Referee's attention is drawn to the possibility that a facial protector or helmet may not be certified (CSA approved), or if the Referee observes that a facial protector or helmet may not be certified, and should that piece of equipment in effect turn out not to be certified, the Referee shall assess a Minor penalty and at the same time order that illegal piece of equipment removed from the game.
Note 1: The Referee is empowered to make the call without his attention being drawn by an opposing player or team official, through the Captain.
Note 2: The Referees' Case Book contains detailed procedures to follow in the case of a player having to serve a penalty for a non-certified helmet or facial protector.
- (f) The wearing of a BNQ approved throat protector is compulsory for players registered in Minor and Female Hockey. If a Referee discovers that a Minor or Female hockey player is on the ice and is not wearing a BNQ approved throat protector, a Minor penalty is to be assessed to that player. When a player wears his neck protector improperly, he shall be assessed a Misconduct penalty. For violations during the pre-game warm-up, the Referee shall report the infraction on the official game report to the President.
- (g) For divisions of hockey that allow the wearing of the half visor, the wearing of a mouth guard is compulsory (recommended but optional for senior hockey). When a player fails to properly wear a mouth guard at any time on the ice during the game, he shall be assessed a Misconduct penalty.

Rule 25. Dangerous Equipment

- (a) The use of pads, protectors or sticks likely to cause injury to a player are prohibited.

Rule 25. Dangerous Equipment

- (b) No player is permitted to wear a sweater or pants modified or altered to gain an advantage or compromise safety.
- (c) All elbow pads which do not have a soft protective covering of sponge, rubber or a similar material at least 1.27cm (1/2 in.) thick shall be considered dangerous equipment.
- (d) The use of supplemental oxygen is prohibited.
- (e) For a violation of this rule a warning shall be issued to the team. Any subsequent violations to any player on the same team shall result in a Minor penalty to the offending player.

Note: The Referee has the authority to prohibit a player from participating in the game while using or wearing any equipment that she considers dangerous to a player or game official.

Rule 26. Puck

The puck shall be made of vulcanized rubber or other approved material. It shall be 2.54cm (1 in.) thick and 7.62cm (3 in.) in diameter and weigh not less than 156g (5 1/2 ounces) and not more than 170g (6 ounces) and shall be black in colour. For all games played under the jurisdiction of Hockey Canada, it is recommended the official CHA puck be used, with the exception of Novice and below, where it shall be 2.54cm (1 in.) thick and 7.62cm (3 in.) in diameter and may weigh not less than 113.4g (4 ounces) and be clearly identified.

Note - Team Colors

Each team shall declare its colours to the President or Governor of its league at the beginning of each season. If these colours are accepted, they may not be changed during the season without the approval of the League President or Group Governor.

In inter-branch competition, it will be the responsibility of the Home Team to change its sweater and socks if the colours of the competing teams conflict. The decision in this matter shall be left to the Referee in charge of the the game.

SECTION FOUR - PENALTIES

See Penalty Options chart, Appendix D, at the back of this book for a summary of this section.

Rule 27. Penalties

- (a) Penalties shall be in actual playing time, and are divided into the following classes:
1. Minor Penalties
 2. Bench Minor Penalties
 3. Major Penalties
 4. Misconduct Penalties
 5. Game Ejection
 6. Game Misconduct Penalties
 7. Gross Misconduct Penalties
 8. Match Penalties
 9. Penalty Shot
- (b) Any player or team official may be assessed penalties at any time before, during, or after a game, when an offense is committed on the ice or off the ice before entering the dressing rooms. Any altercations occurring off the ice must be reported to the President on the official game report by the referee. A player who is assessed any penalty in the pre-game warm-up shall automatically have her name placed on the Official Game Report and be counted as one of the eligible players, as per Rule 16 (a) and (b) - Players in Uniform.
- Note 1:* The maximum of 5 players per team being assessed Game Misconducts (as per Rule 70 (c) Note 1 - Leaving the Players' or Penalty Bench) also applies to the pre-game warm-up.
- Note 2:* Any unnecessary contact between opposing players after the whistle shall result in penalties being assessed as prescribed by the rules.
- (c) Where the rules state that the Manager or Coach shall designate a player to serve a penalty and the Manager or Coach refuses to name a player, the Referee shall name any player of the offending team to serve the penalty.

Rule 27. Penalties

- (d) Where penalties are assessed to players of both teams at the same time, the penalized players of the Visiting Team shall take their position in the penalty bench first, in the place designated for the visiting players. Where there is no special designation they must take a position on the bench furthest from the gate.

Rule 28. Minor Penalties

- (a) For a Minor penalty, any player, except a goaltender, shall be ruled off the ice for two minutes actual playing time, during which time no substitutes shall be permitted.
- (b) If, while a team is short-handed because of one or more Minor or Bench Minor penalties, the opposing team scores a goal, the first of such penalties shall automatically terminate.
Note: Coincident Minor penalties to both teams do not cause either team to be short-handed.
When a goal is scored on a Penalty Shot against a team that is short-handed by reason of a Minor or Bench Minor penalty, no player of the short-handed team shall return to the ice with the scoring of the goal.
- (c) When a player is assessed both a Minor and Major penalty at the same time, the Major penalty shall be served first. The same principle will apply when a player is assessed both a Minor and Match penalty at the same time. The five-minute time penalty which accompanies the Match penalty is to be served first. See Rule 38 (e).
- (d) If a goal is scored against a team that is short-handed because of one or more Minor penalties, the player serving the first Minor penalty shall return to the ice. In the case of a player who has received a double Minor penalty, his first Minor penalty shall be terminated.
- (e) When coincident Minor or coincident Minors of equal duration are imposed against players on each team during the same stoppage of play, immediate substitutions shall be made for those penalties, and such penalties shall not be taken into account for the purpose of the delayed penalty. Any differences in time or total penalty time shall be served by one or more players on the ice at the time of the infraction.

Rule 28. Minor Penalties

Unless they have been ejected from the game, such penalized players shall take their place on the penalty bench and remain there until the first stoppage of play following the expiry of their respective penalties.

Where at least one Major and/or Match penalty is assessed to each team during the same stoppage of play, the coincident Major/Match penalty rule shall take precedent over the coincident Minor penalty rule.

- (f) Any player incurring a total of three or more stick infraction penalties during the same game shall be ejected from the game. For the application of this rule, stick infraction penalties are considered to be: high sticking, cross-checking, slashing, spearing and butt-ending.

Rule 29. Bench Minor Penalties

- (a) A Bench Minor penalty requires the team against which the penalty is assessed to play a man short for a period of two minutes of actual playing time.
- (b) Whenever a Bench Minor penalty is to be assessed according to the rules, if the player guilty of the actual infraction is identified by the Referee, that player shall serve the penalty except when such identified player is already on the penalty bench serving a penalty. However, if the player is not identified, then the Manager or Coach of the penalized team, through the playing Captain, shall designate any player of her team on the ice at the time of the infraction to serve the penalty.

Rule 30. Major Penalties

- New** (a) **Any player, goaltender or Team Official incurring a Major penalty shall be assessed a Game Misconduct penalty, shall be ordered to the dressing room for the remainder of the game, and shall be reported to the President for further action. The Manager or Coach of the penalized team, through the playing Captain, shall designate any player of her team on the ice at the time of the infraction to serve the penalty.**

Rule 30. Major Penalties

- (b) When coincident Major and/or Match penalties or coincident penalties of equal duration including a Major or a Match are imposed against players on each team during the same stoppage of play, immediate substitutions shall be made for those penalties, and such penalties shall not be taken into account for the purpose of the delayed penalty. In the case where the penalized players remain in the game, they shall take their place on the penalty bench and shall not leave until the first stoppage of play following the expiry of their respective penalties. When the coincident Major/Match penalty rule is applied and there is a differential in the total time penalties, those penalties causing the differential shall be served first in the normal manner and shall be taken into account for the purpose of applying Rule 28 (b) - Minor penalties and Rule 38 - Delayed penalties. Any time difference or differential in the total time penalties must be served by a player (or players) on the ice at the time of the infraction.
- (c) The Referee in charge shall report to the President any player who incurs a second Major penalty within ten minutes of the game's conclusion.

Rule 31. Misconduct Penalties

- (a) A player, except a goaltender, incurring a Misconduct penalty, shall be ruled off the ice for a period of ten minutes actual playing time. A substitute for the penalized player shall be permitted immediately. A player serving a Misconduct penalty shall remain on the penalty bench until the first stoppage of play following the expiry of her penalty. When a player is assessed a Minor and a Misconduct penalty or a Major and a Misconduct penalty at the same time, the penalized team shall immediately place a substitute player on the bench to serve the Minor or Major penalty. The Misconduct penalty will commence on the termination of the Minor or Major penalty.
- (b) The Referee in charge shall report to the President any player who is assessed a Misconduct penalty within ten minutes of the conclusion of the game.
- (c) Any player who is assessed a second Misconduct penalty in the same game shall automatically be assessed a Game Misconduct penalty.

Rule 32. Game Ejection/Game Misconduct Penalties

- (a) A player incurring a Game Ejection penalty in accordance with Rule 28 (f) - Minor penalties, shall be ordered to the dressing room for the remainder of the game.
- (b) A player or team official incurring a Game Misconduct penalty shall be ordered to the dressing room for the remainder of the game and shall be reported to the President for further action. A substitute for the penalized player shall be permitted immediately.
- (c) In Minor and Female Hockey, any player or team official who is assessed a Game Misconduct penalty in the last ten minutes of regular time, or any time in overtime, or at the conclusion of the game and prior to the player or team official entering his dressing room, shall automatically be suspended for a minimum of the next regular league/play-off game or seven days. A total of ten minutes shall be charged in the records against the penalized player for a Game Misconduct.

Rule 33. Gross Misconduct Penalties

- (a) Any player or team official incurring a Gross Misconduct penalty shall be ordered to the dressing room for the remainder of the game and shall be reported to the President for further action. A substitute for the penalized player shall be permitted immediately.
- (b) Gross Misconduct penalties shall be assessed where a person conducts herself in such a manner as to make a travesty of the game.
- (c) In Minor and Female Hockey, any player or team official who is assessed a Gross Misconduct penalty in the last ten minutes of regular time, or any time in overtime, or at the conclusion of the game and prior to the player or team official entering his dressing room, shall automatically be suspended for a minimum of the next regular league/play-off game or seven days. A total of ten minutes shall be charged in the records against the penalized player for a Gross Misconduct.

Rule 34. Match Penalties

- (a) Any player or team official incurring a Match penalty shall be ordered to the dressing room immediately, for the balance of the game, and will not be permitted to take part in any further games until his case has been dealt with by the President.

- (b) In every instance where a Match penalty has been assessed, the offending player's team shall be required to send a player to the penalty box for five minutes. The player who serves the five minutes must have been on the ice at the time of the infraction. Where an offending player has been assessed penalties in addition to the Match penalty, those penalties will be served by the same player who serves the five minute penalty.
This section would not apply in the case of the coincident Major or Match penalty rule.
Note: Referees are required to report all Match penalties and the surrounding circumstances to the President immediately following the game involved. THIS IS IMPORTANT.

Rule 35. Penalty Shot

- (a) Any infraction of the rules which calls for a Penalty Shot shall result in the following:

The Referee shall cause to be announced over the public address system the name of the player designated by her or selected by the team entitled to take the shot (as appropriate), and shall then place the puck on the centre face-off spot and the player taking the shot will, on instruction of the Referee, play the puck from there and shall attempt to score on the goaltender. The puck must be kept in motion towards the opponents' goal line and once it is shot the play is to be considered complete. No goal can be scored on a rebound of any kind and any time the puck crosses the goal line, the shot shall be considered complete.

- (b) The goaltender must remain in her goal crease until the designated player touches the puck at centre ice, and in the event of a violation of this rule, the player designated or selected to take the shot shall be entitled to take the shot over again.

Rule 35. Penalty Shot

The goaltender may attempt to stop the shot in any manner except by throwing her stick or any other object, or deliberately dislodging the goal, in which case a Goal shall be awarded.

Note 1: No player other than the goaltender is permitted to tend goal during a Penalty Shot.

- (c) In cases where a Penalty Shot has been awarded under Rule 24 (c) - Protective Equipment (deliberate removal of helmet or facial protector during a breakaway), Rule 55 (d) - for Delay of Game (Goaltender deliberately dislodging the goal during a breakaway), Rule 82 (a) - Throwing Stick (at puck or puck carrier), Rule 85 (d) - Tripping (fouling from behind), and Rule 70 (e) - Leaving the Players or Penalty Bench (ineligible player), the Referee shall designate the player who has been fouled as the player who shall take the Penalty Shot. If by reason of injury, the player designated by the Referee to take the Penalty Shot is unable to do so or again if the player fouled is not identifiable, the Penalty Shot shall then be taken by a player who was on the ice at the time of the infraction, and is selected by the Captain of the non-offending team and her selection reported to the Referee.
- In cases where a Penalty Shot has been awarded under Rule 55 (e) - Delay of Game, Rule 58 (c) - Falling on the Puck (in the goal crease) and Rule 61 (c) - Handling the Puck (in the goal crease), the Penalty Shot may be taken by a player selected by the Captain of the non-offending team and her selection reported to the Referee. This player must be on the ice at the time of the infraction.
- (d) Should the player in respect to whom a Penalty Shot has been awarded, herself commit a foul in connection with the same play or circumstances after the Penalty Shot has been awarded, she shall first be permitted to take the Shot before being sent to the penalty bench to serve the penalty, provided the penalty assessed was not a Game Ejection, Game Misconduct, Gross Misconduct or Match penalty. If at the time a Penalty Shot is awarded, the goaltender of the penalized team has been removed from the ice to substitute another player, the goaltender shall be allowed to return to the ice before the Penalty Shot is taken.
- (e) While the Penalty Shot is being taken, players of both sides shall withdraw to the sides of the rink and beyond the centre red line.

Rule 35. Penalty Shot

- (f) If, while the Penalty Shot is being taken, any player of the opposing team shall have by some action interfered with or distracted the player taking the Penalty Shot, and because of such action the shot should have failed, a second attempt shall be permitted and the Referee shall assess a Misconduct penalty to the player. If the interference is from a team official, a Game Misconduct penalty shall be assessed.
- (g) If a goal is scored from the Penalty Shot, the puck shall be faced-off at centre ice in the usual way. If the goal is not scored, the puck shall be faced-off at either end zone face-off spot in which the Penalty Shot was attempted.
- (h) Should a goal be scored from a Penalty Shot, a further penalty to the offending player shall not be applied unless the offense for which the Penalty Shot was awarded was such as to incur a Major or Match penalty, in which case the penalty prescribed for the particular offense shall be assessed. If the offense for which the Penalty Shot was awarded was such as would normally incur a Minor penalty, then regardless of whether the Penalty Shot results in a goal or not, no further Minor penalty shall be served.
- (i) A measurement of the stick of the player designated to take the Penalty Shot may be requested before the shot is taken, as if it were a normal play. Should the stick prove illegal, the offending team shall be denied the Penalty Shot and no further penalty shall be imposed. Should the measurement prove the stick to be legal, the Penalty Shot shall be taken in the normal manner and the penalty for an "unsustained request for a measurement" shall be assessed whether the Penalty Shot is successful or not.
- (j) If the foul upon which the Penalty Shot is based occurs during actual playing time, the Penalty Shot shall be awarded and taken immediately in the usual manner notwithstanding any delay occasioned by a slow whistle by the Referee to permit the play to be completed, which delay results in the expiry of the regular playing time in any period.
The time required for the taking of a Penalty Shot shall not be included in the regular playing time or any overtime.

Rule 36. Awarded Goals

- (a) A "Goal" will be awarded to the attacking team when the opposing team has taken their goaltender off the ice and an attacking player has possession and control of the puck on a breakaway in the neutral or attacking zone without a defending player between himself and the opposing goal and:
- (1) he is interfered with by an opposing player who has illegally entered the game or,
 - (2) a stick or any other object is thrown by a player on the defending team or,
 - (3) the puck carrier is fouled from behind and prevented from having a clear shot on the open goal or,
 - (4) any member of the defending team including the team officials, whether on the players' bench or penalty bench, interferes by means of his body, stick or any other object with the puck or the puck carrier.
- (b) A Goal will be awarded to the attacking team when the opposing team has taken their goaltender off the ice and when a shot has been taken (control no longer applies) and a defending player picks up the puck with his hand from the goal crease or **intentionally** falls on or covers the puck in the crease with his hand, thereby preventing an obvious and imminent goal.
- (c) A Goal will be awarded when the goaltender is removed from the ice and he, or any teammate, has deliberately piled snow or any other obstacle at or near his net, or has deliberately dislodged the net from its moorings, when any such action has prevented a goal from being scored.

Rule 37. Goaltender Penalties

- (a) No goaltender shall be sent to the penalty bench for an infraction which incurs a Minor, Major or Misconduct penalty. Instead, such a penalty shall be served by any player of her team who was on the ice at the time of the infraction. Such player shall be designated by the Manager or Coach of the penalized team through the Captain.
- (b) An alternate goaltender may replace a regular goaltender who has been ejected from the game or has been assessed a Game Misconduct, Gross Misconduct or a Match penalty. In the event there is no alternate goaltender recorded on the playing line-up, the regular goaltender's place may be taken by any player on the Game Report designated by the Manager or Coach of the penalized team through the Captain. Such substitute will be allowed fifteen minutes to put on the full goaltender's equipment.
- (c) When a goaltender leaves her goal crease during a fight, she shall be assessed a Minor penalty, plus any other penalties she incurs.
- (d) When a goaltender leaves her goal crease to join in a fight, act as a peacemaker, or take part in another fight, during the same stoppage of play, she shall receive a Game Misconduct penalty, plus any other penalties she incurs.
- (e) If a goaltender intentionally participates in the play in any manner when she is beyond the centre red line, she shall be assessed a Minor penalty.

Rule 38. Delayed Penalties

- (a) If a third player of any team shall be penalized while two players of the same team are serving penalties, the penalty time of the third player shall not commence until the penalty time of one of the two penalized players has elapsed.
Nevertheless, the third player penalized must at once proceed to the penalty bench, but shall be replaced on the ice by a substitute until such time as the penalty time of the penalized player shall commence.
- (b) When a team has three players serving penalties at the same time and while due to the delayed penalty rule a substitute for the third player is on the ice, none of the three penalized players on the penalty bench may return to the ice until play has been stopped. When the play has been stopped, the player whose full penalty has expired may return to the play.
- (c) When the penalties to the player or players have expired and the penalized team is entitled to more than four players on the ice, the Penalty Timekeeper shall permit the penalized players to return to the ice in the order of the expiry of their penalties.
- (d) In cases where Minor penalties are assessed at the same time to more than one player from the same team, those penalties shall be served in order of occurrence. Rule 38 (d) does not apply when the coincident Minor penalty rule is applied.
- (e) When a Major penalty and a Minor penalty are assessed at the same time against two different players of the same team, the Penalty Timekeeper shall record the Minor as being the first penalty assessed. (See Rule 28 (c)).

Rule 39. Calling of Penalties

- (a) If a player on the team in possession of the puck commits an infraction of the rules which would call for a Match, Major, Misconduct, Bench Minor or Minor penalty, the Referee shall blow her whistle immediately and give the penalty(ies) to the deserving player(s). The resulting face-off shall be where the play was stopped, unless the stoppage occurred in the offending player's attacking zone, in which case the face-off is brought out to the neutral zone.
- (b) If a player on the team not in possession of the puck commits an infraction of a rule which would call for a Match, Major, Misconduct, Bench Minor or Minor penalty, the Referee shall signal the penalty by extending her arm straight up. The Referee shall blow her whistle and stop play immediately when the offending team gains possession and control of the puck.

Note 1: The play is not considered completed until the offending team gains possession and control of the puck.

The resulting face-off shall be where the play was stopped, unless during the period of the delayed penalty call against the side not in possession, the side in possession ices the puck, shoots the puck from its own zone so that it goes out of bounds or is unplayable, or commits an off-side pass over the centre red line, then the face-off following the stoppage of play shall take place at the face-off spot in the neutral zone nearest the defending blue line of the team shooting the puck.

If the penalty to be assessed is a Minor penalty and a goal is scored on the play by the non-offending side, the Minor penalty shall not be assessed, but OTHER Minor, Bench Minor, Major, Match and Misconduct penalties shall be assessed in the normal manner, regardless of a goal being scored.

Note 2: If after the Referee has signalled a penalty, but before the whistle has been blown, a member of the non-offending team shall put the puck in her own net in any manner through no contact by the offending team, the goal shall be allowed and the penalty signalled shall be assessed in the normal manner.

Rule 39. Calling of Penalties

If the Referee signals a Minor or Bench Minor penalty(ies) against a team that is shorthanded by reason of one or more Minor or Bench Minor penalties, and a goal is scored by the non-offending side before the whistle is blown, the goal shall be allowed and the player who is serving the first Minor or Bench Minor penalty will return to the ice, while the signalled penalty(ies) shall be assessed and served in the normal manner.

- (c) If further infractions are committed by the same offending player, either before or after the Referee blows her whistle, that player shall serve the penalties consecutively.
- (d) The Referee has the right to stop play immediately in the case of a Match penalty. The resulting face-off will be where the play was stopped, unless the stoppage occurred in the offending player's attacking zone, in which case the face-off is brought out to the neutral zone.

A Referee is not required to assess a Minor penalty under this rule before assessing the Misconduct or Game Misconduct, but may assess either of these penalties initially.

- (h) A Match penalty shall be assessed any player who deliberately attempts to or deliberately injures an opponent with a slash, high stick or cross-check.

Rule 50. Boarding and Body Checking

- (a) A Minor penalty or, at the discretion of the Referee, a Major penalty and a Game Misconduct penalty, based upon the degree of violence of the impact with the boards, shall be assessed any player who body checks, cross-checks, elbows, charges or trips an opponent in such a manner that causes the opponent to be thrown violently into the boards. If a player is injured a Major penalty and a Game Misconduct penalty must be assessed.

- (b) In divisions of Atom and below and Female Hockey, a Minor penalty or, at the discretion of the Referee, a Major penalty and a Game Misconduct penalty shall be assessed any player who, in the opinion of the Referee, intentionally body checks, bumps, shoves or pushes any opposing player. If a player is injured, a Major penalty and a Game Misconduct penalty must be assessed.

When the offensive player is skating towards the defensive player, the defending player may not hit the offensive player by going in the opposite direction to that player. The body contact must be as a result of the movement of the offensive player. There must be no action where the offensive player is pushed, checked or shoved into the boards. Where, in the opinion of the Referee, accidental contact has taken place, no penalty shall be assessed.

Rule 51. Broken Sticks

- (a) A player or goaltender without a stick may participate in the game. A player or goaltender whose stick has been broken must drop the broken portions to the ice immediately.

Rule 51. Broken Sticks

A Minor penalty shall be assessed for an infraction of this rule.

Note: When a player discards the broken portions of a stick by tossing them to the side of the rink (not over the boards) in such a way that they do not interfere with play or opposing players, no penalty shall be assessed.

- (b) A player who has lost or broken her stick may only receive another stick at her own players' bench or be handed one from a teammate on the ice, and may not receive a stick thrown on the ice from any part of the rink. A Minor penalty shall be assessed for an infraction of this rule.

Note: A player tendered a stick from the bench (players' or penalty) thrown on the ice, who does not pick up the stick, will not receive a penalty. The person responsible for throwing the stick will receive a penalty, as covered in Rule 66 (d) - Interference.

- (c) A goaltender who breaks or loses her stick may use a stick of a player handed to her by a player until the next stoppage of play. In this case the players' stick will not be considered an illegal stick. A goaltender may not continue to play with a broken stick of any kind.
- (d) A goaltender may receive a stick from a teammate without proceeding to her player's bench providing the stick is handed to her. A goaltender receiving a stick illegally shall be assessed a Minor penalty.
- (e) A goaltender may not go to the players' bench during a stoppage of play for a replacement of her stick, but must receive her stick from a teammate. For a violation of this section, a Minor penalty for Delay of Game shall be assessed the goaltender.

Rule 52. Charging

- (a) A Minor penalty or, at the discretion of the Referee, a Major penalty and a Game Misconduct penalty shall be assessed to any player who runs or jumps into or charges an opponent. If injury results, a Major penalty and a Game Misconduct penalty shall be assessed.

Note: If more than two steps or strides are taken, it shall be considered a charge.

Rule 52. Charging

- (b) A Major penalty and a Game Misconduct penalty shall be assessed any player who charges a goaltender while the goaltender is within his crease or who injures an opponent as a result of a charge.

Note: A goaltender is not “fair game” just because he is outside the goal crease area. A penalty for interference (Minor or, at the discretion of the Referee, a Major penalty and a Game Misconduct penalty) or charging (Minor or, at the discretion of the Referee, Major penalty and a Game Misconduct penalty) shall be called where an opposing player makes unnecessary contact with a goaltender. Likewise, Referees should be alert to penalize goaltenders for tripping, slashing, or spearing in the vicinity of the goal.

Rule 53. Checking from Behind

- (a) A Minor penalty and a Game Misconduct penalty or a Major penalty and a Game Misconduct penalty at the discretion of the Referee, based on the degree of violence of the impact; shall be assessed any player who intentionally pushes, body checks, or hits an opposing player from behind, anywhere on the ice. If a player is injured, a Major penalty and a Game Misconduct penalty must be assessed. A Match penalty could also be assessed under this rule.
- (b) Where a player is high stucked, cross-checked, body-checked, pushed, hit or propelled in any manner from behind into the boards or goal net, in such a way that the player is unable to protect or defend herself, a Match penalty shall be assessed.

Note: Referees are instructed not to substitute other penalties when a player is checked from behind in any manner. This rule must be strictly enforced.

New
Checking to the Head - Rule 86 (see page 112)**Rule 54. Cross-Checking**

- (a) A Minor penalty or, at the discretion of the Referee, a Major penalty and a Game Misconduct penalty shall be assessed any player who cross-checks an opponent.
- (b) Any player who strikes an opponent above the normal height of his shoulders with a cross-check shall incur a Major penalty and a Game Misconduct penalty, whether or not injury results.

Rule 54. Cross-Checking

- (c) A Major penalty and a Game Misconduct penalty shall be assessed any player who cross-checks a goaltender while he is in his crease.
- (d) A Major penalty and a Game Misconduct penalty shall be assessed any player who injures an opponent as a result of a cross-check.
- (e) A Match penalty shall be assessed any player who deliberately injures an opponent with a cross-check.

Rule 55. Delay of Game

- (a) A Bench Minor penalty shall be assessed a team which, in the opinion of the Referee, is deliberately delaying the game in any manner.
A Minor penalty shall be assessed to any goaltender who shoots or bats the puck out of the playing surface with her stick.
Note 1: When the goaltender shoots the puck directly out of the playing surface where there is no glass, such as at the players' bench or penalty bench, or if the puck touches the glass or deflects off a player or official, no penalty shall be assessed.
Note 2: This penalty will also be assessed to any player or goaltender who shoots the puck out of the playing surface with her stick during a stoppage of play.
Note 3: Referees must be strict in enforcing the rules where a team is deliberately stalling, freezing the puck, shooting the puck out of the playing surface, the goaltender holding the puck or throwing it out of the playing surface, or the team committing a "SERIES of ICING", thereby forcing a face-off.
- (b) Any player who leaves her players' bench to deliver instructions to her teammates and does not remain on the ice as a substitute, will be assessed a Minor penalty
- (c) Any deliberate action by a defending player, including the goaltender, in their defending zone which results in the goal net being knocked from its position, shall constitute an act of deliberate delay of game. If this action occurs in the last two minutes of regular playing time, or any time in overtime, a Penalty Shot shall be awarded against the offending team and the Minor penalty shall not be served.

Rule 55. Delay of Game

- (d) A Penalty Shot shall be awarded should the goaltender, by deliberate action, dislodge the goal net from its position when a player is on a breakaway in the neutral zone or attacking zone.
- (e) If in the last two minutes of regular playing time, or any-time in overtime, a team is penalized for any of the following infractions, a Penalty Shot shall be awarded against the offending team: Deliberate Illegal Substitution - Rule 19 (f), Protective Equipment - Rule 24 (c), Deliberately Knocking the Goal Net from its Position - Rule 55 (c), Refusing to Start Play - Rule 78 (a).
Note: In overtime, a Penalty Shot shall be assessed under this rule, except in the case of Rule 78 (a) - Refusing to Start Play, in which case a Penalty Shot and a Major Penalty shall be assessed.
- (f) A Bench Minor penalty shall be imposed upon any team which, after a warning by the Referee, fails to place the correct number of players on the ice and commence play.

Rule 56. Elbowing and Kneeing

- (a) A Minor penalty or, at the discretion of the Referee, a Major penalty and a Game Misconduct penalty shall be assessed any player who fouls an opponent in any manner with his elbow or knee.
- (b) A Major penalty and a Game Misconduct penalty shall be assessed any player who injures an opponent by elbowing or kneeling.

Rule 57. Face-offs

- (a) A face-off shall take place when the Referee or Linesmen drops the puck on the ice between the sticks of the players facing-off.
The players taking the face-off shall stand squarely facing their opponents' end of the rink, approximately one stick length apart with the full blade of the sticks flat on the ice. All other players on both teams must be at least 4.57m (15 ft.) from the players taking the face-off and they must be on-side. When the face-off takes place at any of the face-off spots in the end zones, the players taking part in the face-off shall take their positions so that they will stand squarely facing their opponents' end of the rink, and clear of the face-off restraining lines.

Rule 57. Face-offs

The sticks of both players facing-off shall have the toe of the blade touching within the designated white area and the player of the Visiting Team shall place her stick within the designated white area first. All other players on the ice must position themselves and their sticks on side. If a player, other than the player taking the face-off, moves off-side, makes physical contact with an opponent or encroaches on the face-off circle prior to the dropping of the puck, then the offending team's player taking the face-off shall be ejected from the face-off.

- (b) In the conduct of a face-off anywhere on the playing surface, no player facing-off shall make any physical contact with her opponent's body by means of her own body or by her stick, except in the course of playing the puck, after the face-off has been completed.

For a violation of this rule, the Referee shall assess a Minor penalty or penalties on the player(s) whose action(s) caused the physical contact.

Note: "Conduct of a face-off" commences when the Referee designates the place of the face-off and she or the Linesman takes her position to drop the puck.

- (c) If a player facing-off fails to take her proper position immediately when directed by the Referee or Linesman, the official may order her replaced at the face-off by any player on the ice. No substitution of players shall be permitted until the face-off has been completed and play has resumed, except when a penalty is imposed which will make a team short-handed.
- (d) A team committing a second violation of any of the provisions of Section (a) during the same face-off may be assessed a Minor penalty for "face-off violation" by the Referee.
- (e) When an infringement of a rule has been committed or a stoppage of play has been caused by an attacking player in her attacking zone, the ensuing face-off shall be in the neutral zone at the nearest face-off spot.
Note: This includes a stoppage of play caused by a player of the attacking side shooting the puck on the back of the defending teams' net without any intervening action by the defending team.
- (f) When an infringement of any rule has been committed by players of both teams, the ensuing face-off shall be at the place where stoppage of play occurred, unless otherwise stated in the rules.

Rule 57. Face-offs

- (g) All face-offs in the neutral zone shall be conducted at the designated face-off spots as dictated by reason for the stoppage of play, or on a line parallel to the side boards from one end zone face-off spot to the other end zone spot. When a stoppage of play occurs between the end zone face-off spots and the nearest end of the rink, the face-off shall be the nearest end zone face-off spot, unless otherwise stated in the rules.
- (h) When any stoppage of play in the end zone is caused by the goaltender, the ensuing face-off shall take place at either end zone face-off spot regardless of the location of the puck when play was stopped.
- (i) When a goal is illegally scored as a result of the puck being deflected off the Referee or Linesman DIRECTLY into the net, the face-off shall take place at the nearest end-zone face-off spot.
- (j) When one or both defensemen, point players or any player coming from the players' or penalty bench of the attacking team, enter deeply into the attacking zone (the top of the circle being the limit) when a gathering is taking place following a stoppage of play, the ensuing face-off shall take place at the nearest face-off spot in the neutral zone, near the blue line of the defending team.

Rule 58. Falling on the Puck

- (a) A Minor penalty shall be assessed any player except a goaltender, who deliberately falls on or gathers the puck into his body by any means, while standing or lying on the ice.
- New** b) **A Minor penalty shall be assessed any goaltender who, while outside his crease, deliberately falls on or gathers the puck into his body, or holds or places the puck against any part of the goal, thus delaying the game unnecessarily.**
- (c) A Penalty Shot shall be awarded against the offending team when a defending player (except the goaltender) deliberately falls on the puck, holds or gathers the puck into his body in any manner, or picks up the puck with his hand, while the puck is within his goal crease. No other penalty shall be assessed.

Rule 58. Falling on the Puck

Note 1: If the goaltender has been removed from the ice, then a goal is awarded. See Rule 36 (b) Awarded Goals.

Note 2: This rule shall be interpreted so that a Penalty Shot will be awarded only when the puck is in the crease at the instant the offense occurs. However, in cases where the puck is outside the crease, Rule 58 (a) may still apply and a Minor penalty may be imposed, even though no Penalty Shot is awarded.

Rule 59. Fighting and Roughing

- a) A Major penalty and a Game Misconduct penalty shall be assessed any player who fights.
- (1) A player who is identified by the Referee as being the instigator, or the aggressor in a fight shall be assessed a Minor penalty, in addition to any other penalties she may incur.
 - (2) A Minor penalty shall be assessed any player who, having been struck, shall retaliate with a blow or attempted blow. Should such a player continue to retaliate, she shall be assessed a Major penalty and a Game Misconduct penalty.
 - (3) Any player who does not retaliate after being struck will not be assessed a penalty under this section, but may be assessed a penalty for a violation of other rules.
 - (4) Any player wearing a ring or rings, tape or any other material on her hands, who becomes involved in a fight and who uses such to gain an advantage or to inflict punishment and/or injury, shall be assessed a Match penalty in addition to any other penalties she may incur.
Note: The foregoing sections shall also apply to goaltenders.
 - (5) When a fight occurs, all other players except the goaltender shall immediately retire to the front of their respective benches or to a neutral zone (should the fight occur in front of a players' bench) designated by the Referee and remain there until the Referee calls them back to resume play. The goaltenders must stay in their goal creases or proceed to a neutral zone designated by the Referee.

Rule 59. Fighting and Roughing

Any player(s) refusing to do so after being instructed by the Referee shall be assessed a Misconduct penalty, plus any other penalty she (they) may incur.

- (b) A Major penalty and a Game Misconduct penalty shall be assessed any player who is involved in fighting with another player off the playing surface.
- (c) Any player joining in a fight, acting as a peacemaker or taking part in another fight during the same stoppage of play, will be assessed a Game Misconduct penalty plus any other penalty the offender incurs under the rules.
- (d) Any player or team official who becomes involved in a fight with a team official shall be assessed a Gross Misconduct penalty. This does not eliminate the possibility of further penalties being assessed for such an infraction.
- (e) Branches are authorized, at the discretion of their members, to assess further penalties in the case of Rule 59 (a), for all players in all divisions of hockey.
- (f) A Minor penalty shall be assessed to any player who, in the Referee's judgement, is guilty of unnecessary rough play. Only when injury results from an infraction to this rule may a Major penalty be assessed.
Note 1: If the penalty assessed is for an infraction after the whistle, "Roughing after the Whistle" shall be recorded.
Note 2: The Major penalty for roughing is not to be confused with and utilized in lieu of the Major Penalty and a Game Misconduct Penalty for fighting.

- New (g) A Minor penalty or, at the discretion of the Referee, a Major and a Game Misconduct penalty shall be assessed any player who, in the Referee's judgment, makes deliberate physical contact with an opponent after the whistle.**

Rule 60. Goals and Assists

- (a) A goal shall be scored when the entire puck has legally passed between the goal posts, below the cross bar and completely across the goal line. Following any goal, the Referee will resume play by conducting a face-off at the centre ice spot.
- (b) A goal shall be scored if the puck is put into the goal in any manner by a player of the defending team. The player of the attacking team who last played the puck shall be credited with the goal, but no assist shall be given.
- (c) A goal shall NOT be allowed if the puck has been directed into the net as a result of a distinct kicking motion by an attacking player, or after being kicked, the puck deflects off any player or stick into the net.
- (d) If the shot of an attacking player has been deflected into the goal by striking the stick, skates or any part of the body of an attacking player, the goal shall be allowed and the player off whom the puck deflected shall be credited with the goal and the player making the shot shall be credited with the assist. The goal shall not be allowed if the puck is deliberately directed into the net by any part of the body of an attacking player other than his skate.
- (e) If a goal is scored as the result of a puck deflecting directly into the goal off the person or skates of an official, the goal shall not be allowed.
- (f) Should a player propel the puck into the goal crease of the opposing team and the puck becomes loose and available to an attacking player, the puck shall be considered in the crease legally and any goal scored on this play shall be a legal goal.
- (g) Each goal and assist shall count one point in the scoring records. Not more than two assists shall be credited on any one goal.
- (h) Any goal scored, other than as covered by the Official Rules, shall not be allowed. The resulting face-off shall be determined as per Rule 57 (e), (f) & (i).

Rule 61. Handling the Puck

- (a) Play shall immediately be stopped and a Minor penalty shall be assessed any player except a goaltender who closes her hand on the puck and, while so doing, gains an advantage on her opponents.
When a player simply closes her hand on the puck and immediately drops it to the ice, without gaining or attempting to gain an advantage by this action, play shall be allowed to continue.
- (b) A Minor penalty shall be assessed a goaltender who deliberately holds the puck and in the opinion of the Referee, is causing an unnecessary stoppage in play.
Note: Where the puck is thrown towards an opponent's goal by the goaltender and it is received by an opponent, the Referee shall allow play to continue. However if a teammate receives the puck, play shall be stopped.
- (c) A Minor penalty shall be assessed any player (except the goaltender) who, while play is in progress, picks up the puck with her hand. If a player of the defending team (except the goaltender) picks up the puck from the ice while it is in her team's goal crease, the play shall be stopped and a Penalty Shot shall be awarded to the non-offending team.
- (d) A player shall be permitted to stop or "bat" a puck in the air with her open hand, or to push it along the ice with her hand and play shall not be stopped, unless the player has directed the puck to a teammate in the neutral or attacking zone. When this occurs play shall be stopped and the puck faced-off at the spot where the offense occurred, unless the offending team gains a territorial advantage, then the face-off shall be where the stoppage of play occurred, unless otherwise covered in the rules. Play shall not be stopped for any hand pass by players in their own defending zone.
- (e) A goal shall not be allowed if the puck has been batted with the hand or any part of the body by the attacking player into the net or, after being batted, the puck deflects off any player or stick into the net.

Rule 62. High Sticks

- (a) The carrying of sticks above the normal height of the shoulder of the opponent is prohibited. A Minor penalty or, at the discretion of the Referee, a Major penalty and a Game Misconduct penalty shall be assessed any player who checks or intimidates an opponent while carrying his stick above the shoulder of his opponent. If injury results, a Major penalty and a Game Misconduct penalty shall be assessed.
- (b) A player who contacts an opponent above the normal height of his shoulders with a high stick shall be assessed a Minor penalty or, at the discretion of the Referee, a Major penalty and a Game Misconduct penalty. If injury results, a Major penalty and a Game Misconduct penalty shall be assessed. In Junior and Senior hockey, at the discretion of the Referee, should the injury be caused by an accidental high stick, a double Minor penalty may be assessed.
- (c) A Match penalty shall be assessed any player who deliberately attempts to injure or deliberately injures an opponent with a high stick.
- (d) Contacting the puck above the normal height of the shoulders with the stick is prohibited and when it occurs, play shall be stopped and the ensuing face-off shall be at the spot where the offense occurred, unless:
 - (1) a player of the non-offending team obtains possession and control of the puck, in which case play shall continue,
 - (2) a player of the offending side shall bat the puck into his own goal, in which case the goal shall be allowed,
 - (3) the offending team gains a territorial advantage, then the face-off shall be where the stoppage of play occurred, unless otherwise stated in the rules
- (e) A goal scored from a high stick shall not be allowed, except when such a goal is scored by a player of the defending team into his own goal.

Rule 63. Holding

- (a) A Minor penalty or, at the discretion of the Referee, a Major penalty and a Game Misconduct penalty shall be assessed any player who holds an opponent with her hands, stick or in any other manner. If the penalty assessed is for holding the stick, a Minor penalty for “holding the stick” shall be recorded and announced.
- (b) A Major penalty and a Game Misconduct penalty shall be assessed any player who injures an opponent by “holding”.

Rule 64. Hooking

- (a) A Minor penalty or, at the discretion of the Referee, a Major penalty and a Game Misconduct penalty shall be assessed any player who impedes or seeks to impede the progress of an opponent by “hooking” with his stick.
- (b) A Major penalty and a Game Misconduct penalty shall be assessed any player who injures an opponent by “hooking”.
- New** (c) **A Minor penalty or at the discretion of the Referee, a Major penalty and a Game Misconduct penalty shall be assessed any player who impedes or seeks to impede the progress of an opponent by “hooking” or “butt-end hooking” with his stick.**

Rule 65. Icing the Puck

- (a) Icing the puck is completed the instant the puck crosses the goal line, and the Referee or Linesman shall immediately blow her whistle, stopping play. If the puck shall have entered the goal, the icing shall not be called and a goal shall be allowed.
For the purpose of this rule, the centre red line will divide the ice into halves. Should any player of a team, equal or superior in numerical strength to the opposing team, shoot, “bat” or deflect the puck from her own half of the ice, beyond the goal line of the opposing team, play shall be stopped and the puck faced-off at the end zone face-off spot of the offending team.

Rule 65. Icing the Puck

If during the play, the puck shall have entered the net of the opposing team, the goal shall be allowed, except if the puck has been batted with the hand into the opposing net.

Any contact with the puck over the centre red line, with the puck continuing down over the goal line, nullifies "icing" the puck.

Note 1: If during the period of a delayed whistle due to a foul by a player of the side NOT in possession of the puck, the side in possession "ices" the puck, the face-off following the stoppage of play shall take place in the neutral zone near the defending team blue line of the team "icing" the puck.

Note 2: A team shall not be considered below the numerical strength of its opponent by reason of a penalized player remaining in the penalty box after her penalty has expired.

Note 3: When the puck is shot and rebounds from the body or stick of an opponent in her own half of the ice and crosses the goal line of the player shooting, it shall NOT be considered as "icing".

- (b) "Icing the puck" shall not be called if a team is below the numerical strength of the opposing team at the instant the puck is shot.
- (c) Play shall continue and the "icing the puck" infraction shall not be called if it is caused directly from either player taking the face-off.
- (d) If, in the opinion of the Referee or Linesmen, a player of the opposing team, except the goaltender, is able to play the puck before it crosses the goal line, but has not done so, the play shall continue and the "icing the puck" rule shall not apply.
- (e) The "icing the puck" infraction shall not be called and play shall continue when:
 - (1) the puck has touched any part of an opposing player, her stick, or skates, or
 - (2) the puck has touched the goaltender, her skates, or stick at any time before crossing the goal line.
- (f) If the Referee or Linesmen shall have erred in calling an "icing the puck" infraction under any conditions, the face-off shall take place at the centre ice face-off spot.

Rule 66. Interference/Protection of the Goaltender

- (a) A Minor penalty for interference or, at the discretion of the Referee, a Major penalty and a Game Misconduct penalty shall be assessed any player who:
- (1) interferes with or impedes the progress of an opponent who is not in possession of the puck, or
 - (2) deliberately knocks a stick out of an opponent's hand, or
 - (3) prevents an opponent who has lost or dropped his stick from regaining possession of it.

Note 1: The last player to touch the puck - other than the goaltender - shall be considered the player in possession.

Note 2: Often the action and movement of the attacking player causes the interference, since the defending players are entitled to "stand their ground" or "shadow" the attacking players. Players of the side in possession of the puck shall not be allowed to "run" deliberate interference for the puck carrier.

- (b) A Minor penalty for interference with the goaltender shall be imposed on a player who, by means of his stick or his body, interferes with or impedes the movements of the goaltender by actual physical contact. The penalty should be announced as "Interference with the goaltender".

Note: A goaltender is not "fair game" just because he is outside the goal crease. A penalty for interference (Minor or, at the discretion of the Referee, a Major penalty and a Game Misconduct penalty) or charging (Minor or, at the discretion of the Referee, Major penalty and a Game Misconduct penalty) shall be called where an opposing player makes unnecessary contact with the goaltender. Likewise, Referees should be alert to penalize goaltenders for tripping, slashing, or spearing in the vicinity of the goal.

Unless the puck is in the goal crease area, a player of the attacking side may not stand in the goal crease. If the puck should enter the net while such conditions prevail the goal shall not be allowed. If an attacking player has physically interfered with the goaltender, prior to or during the scoring of the goal, the goal will be disallowed and a penalty for "interference with the goaltender" will be assessed and announced.

Rule 66. Interference/Protection of the Goaltender

The ensuing face-off shall be taken in the neutral zone, at the face-off spot nearest the attacking zone of the offending team.

If a player of the attacking team has been physically interfered with by the actions of any defending player so as to cause him to be in the goal crease and the puck should enter the net while the player so interfered with is still in the goal crease, the goal shall be allowed.

A Minor penalty shall be assessed to an attacking player, who while his team has possession of the puck, is interfered with by a defending player, but fails to attempt to avoid making contact with the goaltender. In addition, if a goal is scored it shall be disallowed.

A Minor penalty shall be imposed on an attacking player, not in possession of the puck, who is tripped or caused to fall and fails to attempt to avoid contact with the goaltender whether he is in or out of his crease.

A Minor penalty shall be imposed on any attacking player, who makes deliberate contact with a goaltender whether in or out of the goal crease. At the discretion of the Referee a Major penalty and a Game Misconduct penalty may be imposed under Rule 52 (b) - Charging or Rule 54 (c) - Cross-checking. In the event that a goaltender has been pushed into the net together with the puck after making a stop, the goal will be disallowed. If applicable, the appropriate penalties will be assessed.

- (c) Where a stick or any object is thrown on the ice from the players' or penalty bench or where a player on the ice is interfered with by an opposing player or team official on the players' or penalty bench, (whether or not play is in progress), a Bench Minor penalty shall be assessed to that team if the Referee is unable to identify the person responsible, except as covered in Rule 36 (a)(4) - Awarded Goals and Rule 85 (d) - Tripping. If a goal is scored, no Bench Minor penalty would be assessed.
- (d) Where a stick or any object is thrown on the ice from the players' or penalty bench or where a player on the ice is interfered with by an opposing player or team official on the players' or penalty bench (whether or not play is in progress) and the Referee is able to identify the person responsible; that person shall be assessed a Bench Minor penalty and a Game Misconduct penalty.

Rule 66. Interference/Protection of the Goaltender

When Rule 36 (a)(4) - Awarded Goals or Rule 85 (d) - Tripping are applied, the Bench Minor penalty would not apply but the Game Misconduct penalty would.

- (e) A Major penalty and a Game Misconduct penalty shall be assessed any player who injures an opponent by "interference".
- (f) A Minor penalty shall be assessed a goaltender who deliberately piles up snow or other obstacles at or near his net which, in the Referee's opinion, would tend to prevent a goal from being scored.

Rule 67. Interference by Spectators

- (a) The Referee shall stop play if a player is being held or interfered with by a spectator, unless that player's team is in possession of the puck and in scoring position at the time. In this case, play shall be allowed to be completed before the stoppage. In any case, the face-off shall be where the stoppage took place, unless otherwise stated in the rules.
- (b) The Referee shall stop play if any objects are thrown on the playing surface which interfere with the progress of the play. When the play resumes, the face-off shall be where the stoppage took place, unless otherwise stated in the rules.

Rule 68. Kick Shot

A Minor penalty shall be assessed any player except the goaltender who uses a kick shot during the game.

Rule 69. Kicking the Puck

Kicking the puck shall be permitted in all zones. This action can not result in a goal being scored.

Rule 70. Leaving the Players' or Penalty Bench

- (a) No player may leave the players' bench or penalty bench at any time during a fight on the ice, or for the purpose of starting a fight. Substitutions made prior to the fight shall be permitted, provided the players so substituting do not enter the fight.

Rule 70. Leaving the Players' or Penalty Bench

- (b) For a violation of Rule 70 (a), a double Minor penalty shall be imposed on the player of the team who was the first to leave the players' or penalty bench during a fight. If players of both teams leave their respective benches at the same time, the first identifiable player of each team to do so, shall incur a double Minor penalty. A Game Misconduct penalty shall also be imposed on any player penalized under this section, plus any other penalties he may incur. Refer to Section (d).
- (c) Any player (other than those dealt with under Section (b)) who leaves his players' or penalty bench during a fight and is assessed a Minor, Major or Misconduct penalty for his actions, shall also incur an automatic Game Misconduct penalty, in addition to any other penalties he may incur. This includes a player leaving the penalty bench, for which he is to be assessed a Minor penalty in addition to the Game Misconduct penalty. Such player would not have to be the first player to leave a bench.
- Note 1:* A maximum of 5 players per team may be assessed Game Misconducts for violations of Sections (b) and (c) of this rule during a stoppage of play. The maximum of 5 players shall include any players penalized under Rule 59 - Fighting and Roughing.
- Note 2:* Where one team has been clearly identified as the first to leave the bench and the Referee has assessed the 5 player maximum Game Misconducts, then in this situation a sixth player on one team may be assessed a Game Misconduct penalty under this section. This sixth player must be the player who left the bench first.
- Note 3:* Referees must record in detail on the Official Game Report or separate Penalty Report Form, any bench clearing incidents.
- (d) A penalized player may not leave the penalty bench (whether or not play is in progress), except at the end of the period or on the expiration of his penalty. A Minor penalty shall be assessed for a violation of this rule, including the situations dealt with under Sections (b) and (c) of this rule. However, in the case of a player returning to the ice before his time has expired through an error of the Penalty Timekeeper, he is to serve only his unexpired time.

Rule 70. Leaving the Players' or Penalty Bench

- (e) When a player on a breakaway in the neutral or attacking zone is interfered with by a player of the opposing team who shall have illegally entered the game, or by a player or team official on the players' or penalty bench, the Referee shall award a Penalty Shot to the non-offending team.
- (f) Any team official who gets on the ice after the start of the game, without the permission of the Referee, shall be assessed, at the discretion of the Referee, a Bench Minor or a Game Misconduct penalty. If a Game Misconduct penalty is assessed, the team official shall be ordered to the dressing room for the remainder of the game and the Referee shall submit a report in full detail to the President, who may assess further penalties.
- (g) If a penalized player returns to the ice from the penalty bench before his penalty has expired, (either by his own error or the error of the Penalty Timekeeper), any goal scored by his own team while he is illegally on the ice shall not be allowed. All penalties assessed either team shall be served as regular penalties.
- (h) If a player shall illegally enter the game from his own players' bench, any goal scored by his own team while he is illegally on the ice shall not be allowed. All penalties assessed either team shall be served as regular penalties.

Rule 71. Physical Abuse of Officials

- (a) Any player or team official who intentionally touches, holds or pushes a Referee, Linesman or Off-ice Official before, during or after a game shall be assessed a Match penalty and shall be reported to the President by the Referee.
- (b) Any player or team official who deliberately strikes, trips or body checks a Referee, Linesman or Off-ice Official before, during or after a game shall be assessed a Match penalty and shall be reported to the President by the Referee. Such player or team official may be suspended for one year or more.
- (c) Any player or team official who threatens or attempts to strike a Referee, Linesman or any Off-ice Official before, during or after a game shall be assessed a Match penalty and shall be reported to the President by the Referee.

Rule 72. Off-sides

- (a) Players of the attacking team must not precede the puck into the attacking zone.
Note 1: If a pass deflects off a defending player, his skates or his stick, causing an attacking player to precede the puck into the attacking zone, the off-side rule shall apply.
Note 2: A player actually propelling the puck who shall cross the line ahead of the puck, shall not be considered off-side, providing he is actually in possession and control of the puck with one skate in the neutral zone before crossing the blue line.
- (b) For violation of this rule, play shall be stopped and the face-off shall be in the neutral zone at the face-off spot nearest the attacking zone of the offending team or at the origin of the attempted pass, as covered by the rules.
- (c) The position of the player's skates, and not that of his stick, shall be the determining factor in all instances in deciding an "off-side". A player is off-side when both skates are completely over the outer edge of the determining centre red line or blue line involved in the play.
Note 1: A player is on-side when either of his skates are in physical contact with, or on his own side of the line at the instant the puck completely crosses the outer edge of that line, regardless of the position of his stick.
Note 2: It should be noted that while the position of the player's skates is what determines whether a player is off-side, the question of an off-side never arises until the puck has completely crossed the outer edge of the line at which the decision is to be made.
- (d) If a player legally carries or passes the puck from the neutral zone back into his own defending zone while a player of the opposing team is in such defending zone, the off-side shall be ignored and play shall continue.
- (e) If an attacking player(s) precedes the puck that is shot, passed or deflected into the attacking zone by a teammate, or deflected into the attacking zone by a defending player; but a defending player is able to play the puck, the Linesman shall signal a delayed off-side. The Linesman shall drop his arm to nullify the off-side violation and allow play to continue if:

Rule 72. Off-sides

- (1) the defending team passes or carries the puck into the neutral zone, or
- (2) all attacking players in the attacking zone (at the time the puck crosses the blue line) clear the attacking zone by making skate contact with the blue line.

If the puck is shot on goal, during a delayed off-side, the play shall be allowed to continue under the normal clearing the zone rules. Should the puck enter the net in this situation, either directly or off the goaltender, or a player or official on the ice, the goal shall not be allowed as the original shot was off-side. If any attacking player touches the puck or attempts to gain possession of a loose puck while the puck is still in the attacking zone, the Linesman shall stop play.

Note: The attacking zone must be completely clear of attacking players before a delayed off-side can be nullified with the puck still in the attacking zone.

- (f) If, in the opinion of the Referee or Linesmen, an intentional off-side play has been made, the puck shall be faced-off at the end zone face-off spot in the defending zone of the offending team.

Rule 73. Passes and Off-side Passes

- (a) The puck may be passed by any player to a player of the same team within any one of the three zones into which the ice is divided.
The puck may not be passed by a player in one zone to a player of the same team in another zone, except by any player on the defending team who may make and take forward passes from her own defending zone up to the centre red line without incurring an off-side penalty. This forward pass must be completed by the receiving player who is legally on-side at the centre red line or a player who is preceded by the puck across the centre red line, otherwise play shall be stopped and the face-off shall be at the point from which the pass was made. The puck may be passed backward toward her own goal by any player in one zone to another player of the same team in another zone.
- (b) A pass shall be considered to have been completed if the puck so passed contacts any part of the stick, body or skate of a player on the same team.

Rule 73. Passes and Off-side Passes

- (c) A player anywhere in her own half of the rink is eligible to receive a forward pass from a teammate, provided she is on-side at the centre red line, and she may also play the puck passed into the attacking half of the ice, provided the puck precedes the player completing the pass over the centre red line.
Branches shall have the authority to grant all divisions of hockey permission to remove the centre red line for off-side pass purposes.
- (d) If an attacking player passes the puck backwards towards her own goal from the attacking zone, an opponent may play the puck regardless of whether or not she (the opponent) was in the same zone at the time the puck was passed.
- (e) If a Referee or Linesman shall have erred in calling an off-side pass infraction, the face-off shall take place at the centre face-off spot.
Note: The position of the puck, and not the position of the player's skates, is the determining factor in deciding from which zone the pass was made. Example: A player standing just inside her defending blue line, but in possession of the puck which is just over the blue line, makes a pass to a teammate who is over the centre red line. In this situation, the pass is legal, as the puck is in the neutral zone, which automatically eliminates the red line off-side.

Rule 74. Puck Must Be Kept in Motion

- (a) A team in possession of the puck in its defending zone shall always advance the puck towards the opposing goal, except if prevented from doing so by players of the opposing team. For an infraction of this rule, play shall be stopped and the face-off shall be at either end zone face-off spot in the defending zone of the offending team.
- (b) A Minor penalty shall be assessed any player who deliberately holds the puck against the boards or any part of the goal in any manner, unless he is being checked by an opponent.
Note: Referees must determine the offending player and enforce these rules quickly.

Rule 75. Puck Out of Bounds or Unplayable

- (a) When the puck goes outside the playing area or strikes obstacles above the playing surface (with the exception of the side boards, glass or wire netting), play shall be stopped. The resulting face-off shall be where the puck last touched a player, her skates or stick, or an official, except when otherwise stated in the rules.
- (b) A Minor penalty shall be assessed any player who delays the game by deliberately shooting, batting or throwing the puck outside the playing surface of the rink. The resulting face-off shall be at the spot where the offense occurred, unless otherwise stated in the rules.
- (c) If the puck is shot on the back of the net and comes off without any delay or, if a player or goaltender knocks the puck off the back of the goal netting without unnecessary delay, play shall continue. If the puck is frozen between opposing players or cannot be removed from the back of the net, the Referee shall stop play and the face-off shall take place at a location covered by the rules.

Note: Existing rules are adequate to deal with the situation regarding play in the attacking zone, but officials should be alerted to move the face-off into the neutral zone in every case where it is the action of the attacking players which has caused the stoppage, even though they may not be actually freezing the puck themselves.
- (d) A Minor penalty shall be assessed a goaltender who deliberately drops or throws the puck on the goal netting to cause a stoppage of play.

Rule 76. Puck Out of Sight and Illegal Puck

- (a) At any time where the Referee loses sight of the puck, play shall be stopped. The resulting face-off shall be at the point where play was stopped, unless otherwise stated in the rules.
- (b) If while play is in progress a puck other than the one legally in play appears, the play shall not be stopped, but shall continue with the legal puck until the play then in progress is completed.

Rule 77. Puck Striking Official

Play shall not be stopped if the puck touches an official anywhere on the rink, except when the puck is deflected directly off an official into the goal or out of the playing area.

Rule 78. Refusing to Start Play

(a) If a team is withdrawn from the ice and fails to return and start play, or if being on the ice, fails to start play within TWO MINUTES after being ordered to do so by the Referee, the game or series shall be suspended. The team officials and/or players of the team which are responsible for any of these actions may be suspended for one year or more from the date of the infraction. The Referee shall report full details of the incident to the President. If a team after being ordered to return, does return to start play, then a Major penalty **and a Game Misconduct** shall be assessed **to the Coach** for Delay of Game. If this infraction occurs in the last two minutes of regular playing time, or anytime in overtime, a Penalty Shot (in addition to the Major penalty **and a Game Misconduct**) shall be awarded against the offending team's coach, as stated in Rule 55 (e) - Delay of Game.

New

(b) The commencement of the two-minute warning and the reason for such warning shall be announced over the public address system, on the instructions of the Referee.

(c) If a team is withdrawn from the ice or fails to go on the ice, or being on the ice, fails to start play a SECOND TIME within the same game after being ordered to do so by the Referee, the two-minute allowance shall not be granted and the game will be officially suspended. The team officials and/or players of the team which are responsible for any of these actions may be suspended for one year or more from the date of the infraction. The Referee shall report full details of the incident to the President.

Note: Should the offending team be on the ice surface, the order shall be given in person by the Referee or the Linesman, if directed by the Referee. If the offending team is not on the ice, the Timekeeper, on the instruction of the Referee, will convey the order to the offending team. The order may be given to any player or team official of the offending team.

(d) If a team fails to present itself at the time and place appointed to play any game, the game shall be award-

Rule 78. Refusing to Start Play

ed to the opposing team, unless such failure is caused by an unavoidable accident or unforeseen contingency. The team official and/or players responsible for any of these actions shall be reported to the President by the Referee, giving full details of the incident.

- (e) A player or team official who refuses to leave the bench or playing area after he has been assessed a Game Misconduct penalty, Gross Misconduct or Match penalty, may be suspended for one year or more from the date of the infraction. The Referee shall report full details of the incident to the President.

Rule 79. Slashing

- (a) A Minor penalty or, at the discretion of the Referee, a Major penalty and a Game Misconduct penalty shall be assessed any player who impedes or seeks to impede the progress of an opponent by “slashing” with her stick.
- (b) A Major penalty and a Game Misconduct penalty will be assessed to any player who injures an opponent with a “slash”.
- (c) A “slashing” penalty shall be assessed any player who swings her stick at an opponent (whether out of range or not) without actually striking her, or who, on the pretext of playing the puck, makes a wild swing at the puck with the object of intimidating her opponent.
- (d) A Match penalty shall be assessed any player who deliberately attempts to injure or deliberately injures an opponent with a slash.

Rule 80. Spitting

A Match penalty shall be assessed any player or team official who deliberately spits on or at an opponent, official, team official or spectator. The Referee shall report full details of the incident to the President.

Rule 81. Start of Game and Periods

- (a) The game shall commence at the time scheduled by a face-off in the centre of the rink. It shall be renewed promptly at the conclusion of each intermission in the same manner.

Rule 81. Start of Game and Periods

No delay shall be permitted by reason of any ceremony, exhibition, demonstration or presentation, unless consented to reasonably in advance by the Visiting Team.

- (b) To start the game, at the beginning of each period (including any overtime periods) and following the scoring of a goal, the Referee shall conduct a face-off at the centre ice spot.
- (c) Home teams shall have the choice of goals to defend at the start of the game. See Rule 9 (e).
- (d) At the beginning of each period, only the players taking part in the actual face-off shall be allowed on the ice. All other players not taking part in the face-off shall go directly to their benches. For an infraction of this rule, a Bench Minor penalty for delay of game shall be assessed the offending team.
- (e) At the end of each period, all players must remain on their respective players' or penalty bench until directed off by the Referee. The Visiting Team shall leave the ice first, unless otherwise directed by the Referee. Failure to comply shall result in a Bench Minor penalty. Any unusual circumstances shall be reported to the President.

Rule 82. Throwing Stick

- (a) Where any player of the defending team, including the goaltender, deliberately throws his stick or any part thereof or any other object at the puck or puck carrier in the defending zone, the Referee shall allow the play to be completed and, if a goal is NOT scored, a Penalty Shot shall be awarded to the attacking team. If a goal is scored, the Penalty Shot shall not be awarded.
- (b) A Minor penalty shall be assessed any player who deliberately throws his stick or any part thereof or any other object at the puck or puck carrier in any zone, except when such act has been penalized by the awarding of a Penalty Shot or a Goal.
- (c) A Minor penalty shall be assessed any player who deliberately throws his stick or any part thereof in any zone, but not at the puck or puck carrier.

Rule 82. Throwing Stick

- (d) A Misconduct penalty shall be assessed any player who deliberately throws a stick or any part thereof or any object, outside the playing area.

Rule 83. Tied Game

- (a) If at the end of the three regulation twenty-minute periods the score is tied, the following shall take place:
 - (1) if the Referee feels it is necessary, he may order the ice to be re-surfaced at the end of the three regulation periods. If the ice is not resurfaced, the teams will not change ends;
 - (2) the puck shall be faced-off at centre ice and the play shall continue with a ten-minute sudden victory overtime period;
 - (3) if the score is still tied after the sudden victory ten minute overtime period, the teams would take the normal between period break and return to play twenty minute sudden victory periods. The teams will now change ends.
- (b) Any overtime period shall be considered part of the game and all unexpired penalties shall remain in force.
- (c) If either team declines to play in the necessary overtime period or periods, the game shall be declared a loss for that team.
Note: Branches and leagues may make their own rules regarding overtime for games under their jurisdiction.

Rule 84. Time of Game

- (a) Three twenty minute periods of actual playing time with a ten-minute intermission between each period, will be the time allowed for each game.
- b) The team scoring the greatest number of goals during the three twenty-minute periods shall be the winner and shall be credited with two points in the league standing.
- (c) Teams shall change ends after the completion of each regulation period and each overtime period (except as stated in Rule 83 (a)(1)).
- (d) In the interval between periods, the ice surface shall be flooded, unless mutually agreed to by the competing clubs or unless the facilities are not available.

Rule 84. Time of Game

(e) If any unusual delay occurs within five minutes before the end of the first or second period, the Referee may order the next regular intermission to be taken immediately. The balance of the period will be completed on the resumption of play with the teams defending the same goals, after which the teams will change ends and resume play of the ensuing period without delay.

(f) Each team shall be permitted to take one time-out of thirty seconds during the course of regular playing time or overtime. This time-out must be taken during a normal stoppage of play. Any player designated by the Coach may indicate to the Referee that his team is exercising their option and the Referee will report the time-out to the Game Timekeeper who shall be responsible for signalling the termination of the time-out.

Note 1: All players, including goaltenders, on the ice at the time of the time-out will be allowed to go to their respective benches.

Note 2: Both teams may take their respective time-outs during the same stoppage of play. However, once a team has called their time-out, the second team must indicate their intentions to take a time-out during the same stoppage of play before the initial 30 seconds are over.

Note 3: The time-out rule is permitted in Minor and Female Hockey stop time games wherever the local branch gives approval. In Hockey Canada Minor and Female Hockey Regional and National Championships, the time-out rule is to be used.

Rule 85. Tripping

(a) A Minor penalty or, at the discretion of the Referee, a Major penalty and a Game Misconduct penalty shall be assessed any player who trips an opponent. If injury results, a Major penalty and a Game Misconduct penalty shall be assessed.

Note: A penalty shall not be assessed if, in the Referee's opinion, a player is unquestionably hook-checking the puck and obtains possession of it, thereby tripping the puck carrier.

Rule 85. Tripping

- (b) A Minor penalty or, at the discretion of the Referee, a Major penalty and a Game Misconduct penalty shall be assessed any player who uses his feet to knock an opponents skates out from under him with a kicking or leg dragging motion from behind (“slew footing”).
Note: If a player in the process of falling or sliding along the ice, hits or knocks the puck from her opponent’s stick prior to making actual body contact, the tripping shall be ignored.
- (c) Where a player uses her stick, knee, hand, foot, arm or elbow in any manner or falls or slides along the ice directly in the path of the puck, causing the puck carrier to trip and lose possession of the puck, a penalty shall be assessed.
Note: If a player in the process of falling or sliding along the ice, hits or knocks the puck from her opponent’s stick prior to making actual body contact, the tripping action shall be ignored.
- (d) When a player in control of the puck on a breakaway in the neutral or attacking zone is tripped or otherwise fouled from behind and thus prevented from having a clear shot on goal, having no other opponent to pass other than the goaltender, a Penalty Shot shall be awarded to the non-offending team. Nevertheless, the Referee shall not stop play until the attacking team has lost control of the puck to the defending team.
Note: “Control of the puck” shall be defined as the act of propelling the puck with the stick, the skate(s) or the glove(s).
If, while it is being propelled, the puck shall touch the person, stick or skate of another player or should hit the goal post or go free, the player shall be deemed no longer in control. The intention of this rule is to restore a good scoring opportunity which has been lost by reason of the foul, and therefore, where there is no reasonable scoring chance lost by reason of the foul, a Penalty Shot should not be awarded.

New**Rule 86. Checking to the Head**

- (a) A Minor and a Misconduct penalty, or a Major and a Game Misconduct penalty, at the discretion of the Referee based on the degree of violence of impact, shall be assessed to any player who checks an opponent to the head area in any manner.
- (b) A Major and a Game Misconduct penalty, or a Match penalty shall be assessed any player who injures an opponent by Checking to the Head.
- (c) A Match penalty shall be assessed any player who deliberately attempts to injure or deliberately injures an opponent by Checking to the Head.

Note: Referees are instructed not to substitute other penalties when a player is Checked to the Head with significant impact.

When the offensive player is skating towards the defensive player, the defending player may not hit the offensive player by going in the opposite direction to that player. The body contact must be as a result of the movement of the offensive player. There must be no action where the offensive player is pushed, checked or shoved into the boards. Where, in the opinion of the Referee, accidental contact has taken place, no penalty shall be assessed.

OPTIONAL RULES FOR JUNIOR AND SENIOR HOCKEY

The following optional rules may apply only to Junior and Senior Hockey Leagues that have received Branch approval. Those leagues must obtain appropriate Hockey Canada insurance. Leagues adopting these optional rules must revert to regular Hockey Canada playing rules for all inter-branch play-offs.

Rule 47 - Harassment of Officials, Unsportsmanlike Conduct/Misconduct

A Minor penalty shall be imposed on a player who attempts to draw a penalty by his actions of "diving".

Note 1: Use the unsportsmanlike conduct signal and have the infraction announced as "unsportsmanlike conduct for diving."

Note 2: In a situation in which an original penalty is being called, hooking for example, and the opposing player embellishes the infraction by diving, a Minor penalty for hooking and a Minor penalty for unsportsmanlike conduct for diving may be assessed at the same time.

Rule 49 - Attempt to Injure or Deliberate Injury

A Minor penalty for slashing will be imposed on a player who jabs the back of another players leg with the spear end of his blade, or who uses the spear end of his blade in any manner which in the Referee's opinion does not warrant a double Minor penalty or Match penalty for spearing.

Rule 59 - Fighting and Roughing

A Major penalty should be imposed on any player who engages in fisticuffs for the first time in a game. A second offence, would result in a Major penalty and a Game Misconduct penalty. A player identified as the instigator in a fight shall be assessed, in addition to the Major for fighting, a Minor penalty and a Misconduct penalty.

Note 1: Other rules normally found in the rule book have not been modified or replaced by the Optional Rules for Junior and Senior Hockey. Therefore, all other rules remain in effect, including Game Misconduct penalties called for subsequent fights at the same stoppage and for second Major penalties incurred in a game (no fighting Major involved). Also, the Gross Misconduct penalty for deliberate removal of the helmet would apply. See Rule 24 Clarification (c).

APPENDIX E

INSTRUCTIONS TO OFF-ICE OFFICIALS

Off-ice Officials are to be treated with courtesy at all times by players and team officials.

Off-ice Officials are under the general supervision of the Referee for the playing of each game.

Off-ice Officials should follow the instructions as stated in the Hockey Canada Rule Book with reference to Timekeepers, Official Scorer and Goal Judges. They will save themselves from many unpleasant incidents if these instructions are followed.

Off-ice Officials shall refrain from criticizing the work of any other official at any time. The Penalty Timekeeper should keep the Penalty Bench free of spectators; should there be any trouble in this respect, report the matter to the Referee.

Off-ice Officials should be at their respective positions a few minutes prior to the start of the game and subsequent periods.

When the Official Scorer obtains the team line-ups, he shall obtain the name and number of the Captain and Alternate Captain(s) of each team. This information shall be given to the Referee prior to the start of each game. If the Official Scorer encounters any difficulty in obtaining the team line-ups, he shall report this to the Referee.

Following the completion of the game the Official Scorer shall sign the Official Game Report and also see that it is signed by the Referee. The Report should then be sent to the appropriate branch or league office.

GOAL CREASE - (Rule 5)

A semi-circle six feet 1.83m (6') in radius and two inches (5.08cm) (2") in width shall be drawn using the centre of the goal line as the centre point. In addition an "L"-shaped marking of five inches (12.7cm) (5") in length (both lines) at each front corner will be painted on the ice. The location of the "L"-shaped marking is measured by drawing an imaginary four foot (1.22m) (4") line from the goal line to the edge of the semi-circle.

Goal Netting

There shall be attached to each goal frame a net of approved design made of white nylon cord which shall be draped in such manner as to prevent the puck coming to rest on the outside of it, yet strung in a manner that will keep the puck in the net.

A skirt of heavy white nylon fabric or heavyweight white canvas shall be laced around the base plate of the goal frame in such a way as to protect the net from being cut or broken. This skirt shall not project more than 2.54cm (one inch) above the base plate.

NOTE: The frame of the goal shall be draped with a nylon mesh net so as to completely enclose the back of the frame. The net shall be made of three-ply twisted twine (0.33cm (0.130 inch) diameter) or equivalent braided twine of multi filament white nylon with an appropriate tensile strength of 318 kgs (700 pounds). The size of the mesh shall be 6.35cm (2 1/2 inches) (inside measurement) from each knot to each diagonal knot when fully stretched. Knotting shall be made as to ensure no sliding of the twine. The net shall be laced to the frame with medium white nylon cord no smaller in size than No. 21.
